

HELLO FRIEND!

Thanks for downloading my pack!

I've been doing Nik's New Cartoon Pack since early 2015, having released the very first version late 2017.

I watch all the videos I can find to get a feel for the general vibe. Give some feedback yourself if you've got any- I'd love to hear it whether it be a comment, a video, a tweet, or send me an email at nick@niknokinater.net. Some changes have already been made as a result of very agreeable criticism.

Most importantly though, enjoy playing! If this pack improves your experience, then that is simply all I could have wanted.

Have fun!

Nick
